# FAQ

1. Only Associates in the U.S., Canada, Puerto Rico, Australia, and New Zealand are eligible to participate in the Director Pool.
2. An Associate must be a Paid-As Director each day during the commission week for at least one week during the Pool month to participate.
3. For the purpose of this promotion, only Team Bonus Cycles generated from BV accumulated in your two teams is counted for qualification. Executive Match, PIB Equivalent, and retail profit equivalent Cycles and Rank Advancement or Leadership Bonuses are not included.
4. The Net Cycle Benchmark is a rolling four-week average (paid weeks) of your paid Team Bonus Cycles.
5. Weekly Net Cycle Growth is the total number of weekly paid cycles minus the Net Cycle Benchmark.
6. Monthly Net Cycle Growth is the sum of the Weekly Net Cycle Growth for the month. Each Weekly Net Cycle change for the month (both positive and negative) will be used for calculation regardless of member's weekly Paid-As Rank.
7. Monthly Net Cycle Growth must be a minimum of two to be eligible for payment.
8. Monthly Net Cycle Growth will be divided by the number of weeks in the Pool month, then multiplied by your number of qualified weeks in the month to get your Qualified Net Cycle Growth (QNCG), also known as shares.
9. Commission caps for paid Cycles will be used in Weekly Net Cycle Growth.
10. The maximum bonus is based on QNCG:

QNCG MAXIMUM	
QNCG	UP TO
1-5	US\$500
6-10	US\$1,000
11+	US\$2,500

11. The 4-4-5 reporting calendar will be used. See the previous page for benchmark dates, weeks in Pool period, and payout dates.

12. The share value of each pool (one share = one Qualified Net Cycle Growth) will be calculated by taking the maximum monthly disbursement amount for the pool divided by the total shares participating in the pool.

**Example: US\$75,000 Director Pool with a total of 750 QNCG shares would create a share value of US\$100/CA\$111 each.**

13. For Associates who qualify for the Director Pool but do not have four paid weeks available for use in the Net Cycle Benchmark calculation, we will use the maximum number of available paid weeks used.
14. Once an Associate participates in the Executive Pool for a minimum of one week, they are no longer eligible to participate in the Director Pool even if the Associate has eligibility left.
15. Associates who qualify for the Director Pool can participate for a maximum of three consecutive months. The first month an Associate participates in the Director Pool will count as Month 1. After three consecutive months are complete, the Associate will no longer be eligible to participate in the Director Pool.

**Example: Paul participated in the Director Pool in December 2016 for the first time. Regardless of his participation over the next months, the last month he can participate in the Director Pool will be February 2017.**

16. If an Associate participates in any of the pools every week during the Pool month, they will be paid out based on the specific pool that was participated in.

**Example: Sam participated in the Director Pool for one week in December. The other three weeks of the commission month, Sam participated in the Executive Pool. Sam will receive a payout from the Director Leadership Pool and the Executive Pool based on the number of shares he earned.**
